- The 4th ICTs and Society-Conference***
May 2-4
Uppsala, Sweden
The ICTs and Society-network is an international transdisciplinary network of researchers interested in studying the role of digital media in society and how society shapes digital media as context. This conference provides a forum for the discussion of how to critically study social media and their relevance for critique, democracy, politics and philosophy in 21st century information society.

- Nordiske mediedager / Nordic Media Festival***
May 9-12
Bergen, Norge
The Nordic Media Festival is the largest media conference in the Nordic region, gathering 1500 delegates annually. The conference offers a unique arena where the media industry can come together, debating key issues of today and be informed of the current trends and prophecies for the future. In addition, the festival is an important arena for networking with colleagues from the broad media industry.
