Culture and Communication on the Edge of the 21st Century: Problems, Inquiries and Recommendations

November 21-23
2013
Antalya, Turkey

Culture and communication will be questioned in detail by academics and practitioners bringing their experiences and assets from all over the world. Communication, as an interdisciplinary field, will be discussed in a culture oriented view.

Literature, Media, Sound

November 28-30
2013
Aarhus, Denmark

The conference intends to discuss the relation between literature, media and sound in various perspectives and constellations, thereby hoping to establish stronger links between different theoretical positions, such as Media Studies, Comparative Literature, Intermediality Studies and Sound Studies.

Crossroads in Cultural Studies

The 2014 edition of the conference will represent a major anniversary milestone: i.e., its 10th edition. And so it is fitting that the conference will be held in the place where it all began: Tampere, Finland. A Call for Papers will be forthcoming sometime in 2013.
