

**TV broadcasting companies' audience shares in each Nordic country 2017 (per cent)**

\* Companies with TV interests in one Nordic country only: TV 2 Denmark, whose main channel TV 2 (24%) is public service (owned by the Danish state), TV 2 in Norway (owned by Egmont Group), Nelonen Media in Finland (owned by Sanoma) and 365 ehf. in Iceland.

\*\* Other = Channels outside the major Nordic TV or media groups.

Note 1: All main channels are included, but the number of channels is not the total for every group. Channels not included are mainly channels with small audience shares and channels with no advertising customized to the specific country (pan-territorial channels).

Note 2: Data are based on daily viewing time. Annual averages, except for Iceland with data for week 42.
